New Picnic tables, we are going to buy a commercial grade plastic table to test it's durability, they are half the cost of the metal ones.

Thanks to everyone that is closing and locking the gate when leaving

New Business

Helicopter event will be held September 27th make sure you attend since it has been a while since we held one.

We have had 3 crashes on the Watkins property please make sure you are staying within the new no fly zone boundaries, the county has put up cameras facing Watkins property because there have been reports of people hitting golf balls, people dumping trash across the fence, flying drones over their property, and people climbing the fence we don't think it is any of our members doing this, but if you see anyone doing anything even if they are in the park please let Steve know.
